

# Beautiful Creatures, Wish

Eyes closed  
Just the other day  
Tried hard, I turned and walked away  
Situation always the same  
Things gotta change

Broke down,  
Fallen to this wicked game  
We lie, anything to numb the pain  
Situation always the same  
It's gotta change

Sometimes pretty ain't pretty at all  
You draw me in, let me fall  
Can't quit it, baby,  
I'm a junkie for ya

Yeah, I wish I was something  
Yeah, I wish I could fly

Ooh, I need that much  
Someone else's touch  
Must be some kind of luxury  
Tell everybody that you're free

Having fun when you're trying to stop  
I'm the freak stomping in the rain (?)  
It was a roll of the dice  
We paid a heavy price  
It was the best damn bet we should've never made

Sometimes pretty ain't pretty at all  
You draw me in, let me fall  
I can't quit it, baby,  
I'm a junkie for ya

Yeah, I wish I was something  
Yeah, I wish I could fly  
Yeah, I wish I was something  
Yeah, I wish I could fly

Have you ever seen the devil at night?  
Oh no,  
Don't you know he's the only one who lives in your mind?  
Oh,  
Have you ever felt that pain inside?  
Don't you know I'm the only one who looks through your eyes?

Have you ever seen the devil at night?  
Oh,  
Don't you know I'm the only one who looks through your eyes?

Yeah, I wish I was something  
Yeah, I wish I could fly  
Yeah, I wish I was something  
Yeah, I wish I could fly

Don't you know that I'm tryin to get through to you?  
Don't you know that I'm tryin to get to you?  
Don't you know that I try too hard?  
Well, I try, I try, I try, try, try

Don't you know that I'm tryin to get through to you?  
Don't you know that I'm tryin to get to you?

Don't you know that I try too hard?  
Well, I try, I try, I try, try  
To take it all away

Kick Out
