

Bebe & Cece Winans, Addictive Love

Way higher, yeah
Yeah, yeah
All I wanna do is just explain
Why that we feel the way we do
What a joy to share with you
For me to live, is Christ to die, is gain
If anymore I need to say
The list goes on and on all day
I'll cherish that moment for life
And I know it might sound crazy
It's alright, take a seat, hold tight
Time to admit
(Time we should admit it)
I'm so addicted, yeah
You see, He's taken my heart
And showed me the right way
No doubt about it
(Doubt it, no doubt)
See, I'm lost without it, yeah
You see this love takes me higher
I didn't know why then
I found it was addictive love, yeah
Woo, hoo, yeah
Now that we've evened up the score
Hey, what do you mean there's so much more
I need to tell why we adore
The reason why I smile when I, when I wake up
And also the reason why I dream
Reason why I dream
My love, my joy, my everything
And I'll cherish that moment for life
(That moment for life)
And I know it might sound crazy, crazy
It's alright, take a seat, hold tight
(Alright)
Time to admit it
(Time we should admit it)
I'm so addicted, yeah
You see, He's taken my heart
Taken my heart, y'all
And showed me the right way
(Showed me the right way)
There's no doubt about it, no
(Doubt it, no doubt)
I'm lost without it, yeah
You see, this love takes me higher, yeah, yeah
I didn't know why then
You see, I found it was addictive love, hey, yeah, yeah
So much love

(He's given to me everything I longed for)
And everything I need
That means I'm never alone, so glad
(And everything I've dreamed and much more)
Yeah, yeah, yeah, yeah, yeah, yeah
So much more
And I'll cherish, cherish the moment, that moment for life
For the rest of my life, yeah, yeah
And I know it might sound crazy but it's not crazy, no
I'm not crazy
I've never known anyone to love me quite the way You do
And I tell You
It's hopeless, I've finally, hopeless, noticed that
I'm just forever addicted, forever

Forever in love, hey, yeah, yeah, yeah
(Time we should admit it)
Hold tight
You see, He's taken my heart, heart, y'all
And showed me the right way
(Showed me the way)
There's no doubt about it
(Doubt it, no doubt)
Show me the right way
See, I'm lost without it, yeah
You see, this love takes me higher, higher
I didn't know why then,
I didn't know why, I didn't know I was addicted
(Time we should admit it)
Hey, yes, I am
You see, He's taken my heart, my heart
And showed me the right way
(Showed me the way)
There's no doubt about it
(Doubt it, no doubt)
See, I'm lost without it, yeah
You see, this love takes me higher, a little bit higher
I didn't know why then
Time to admit
(Time we should admit it)
I'm so addicted, yeah
You see, He's taken my heart
And showed me the right way
(Showed me the way)
There's no doubt about it
(Doubt it, no doubt)
See, I'm lost without it, yeah
