

# Bebe & Cece Winans, I'm Lost Without You

Day by day normal reaction  
You are my center attraction  
Every beat my heart beats is Your song  
From hurt and harm, You're my protection  
The path I take is Your direction  
'Cause I know with You, I can't go wrong  
Ever since that day  
I asked You into my heart  
My world has changed  
So promise me You'll never part  
'Cause I'm lost without You, easy to see  
I'm lost without You and there's no letting go  
So let me be the first to say, I'm lost without You  
So don't ever go, go away away  
So don't ever go away  
You pick me up those times I'm down  
You make me laugh when there's no clown  
No one else can love me like You do  
Heaven knows that I'll proclaim  
The love I feel when I hear Your name  
There's no substitution quite the same

Now some say I'm crazy  
And I'm acting insane  
But there's no life without You  
So I'll stake my claim  
I'm lost without You, it's easy to see  
I'm lost without You so I just keep going on  
So let me be the first to say, I'm lost without You  
So don't ever go, don't ever go, go away  
Go away  
Can you tell me about love?  
Love is sweet and love is kind  
Love will bring you peace of mind  
And how do you know?  
Well, I'll tell you so, He won't ever go away  
Oh no, He won't ever  
Now that's what I love about it  
That's what I love about it, oh yeah  
'Cause you know, never know you, baby  
You know, never know you, baby
