

# Bebe Rexha, Between Us

I said tell me...  
Tell me what happened to chivalry?  
You can't even open up the door for me

I can only reach you when you're thirsty  
And you're lonely, 'cause all you wanna do  
All you're tryin' do is get me in... [?]

You only text when it's after 3 in the mornin'  
I said baby... [?]
