

Bebe Rexha, Chain My Heart

Boom boom da-da, boom boom da-da-da
Boom boom, boom boom da-da, boom boom da-da-da
You call my name
I feel better when you call my name
Let's just lay here together
We'll never change
I keep wishin' that we'll never change
Let's just stay here forever
I've been in a high, but I felt so low
Cut me like a knife and I did not know
I've been in a high, but I felt so low
Ain't it funny? (Yeah)
Never goin' back to the way I was
I wanna be trapped in the space of us
Never goin' back to the way I was
Now you got me
And just like boom, boom, boom
Yeah, you chain my heart
Yeah, you chain my heart to your love
What you gon' do
If it breaks apart?
Yeah, you chain my heart to your love
And just like
Boom boom da-da, boom boom da-da-da
Boom boom da-da, boom boom da-da-da
Boom boom da-da, boom boom da-da-da
You chain my heart
Yeah, you chain my heart to your love
Was playin' games
When I met you I was playin' games
It all changed in a minute
'Cause now my heart is chained
And I'm freer now my heart is chained
With your love livin' in it
I've been in a high, but I felt so low
Cut me like a knife and I did not know
I've been in a high, but I felt so low
Ain't it funny? (Yeah)
Never goin' back to the way I was
I wanna be trapped in the space of us
Never goin' back to the way I was
Now you got me
And just like boom, boom, boom (hey)
Yeah, you chain my heart
Yeah, you chain my heart to your love
What you gon' do
If it breaks apart?
Yeah, you chain my heart to your love (to your love)
And just like
Boom boom da-da, boom boom da-da-da (to your love)
Boom boom da-da, boom boom da-da-da (to your love)
Boom boom da-da, boom boom da-da-da (to your love)
Boom boom da-da, boom boom da-da-da
And just like boom, boom, boom
Yeah, you chain my heart
Yeah, you chain my heart to your love
What you gon' do
If it breaks apart?
Yeah, you chain my heart to your love
