

Bebe Rexha, One in a Million (feat. David Guetta)

You're my one one one in a million
It's like someone picked you outta the sky
Maybe I met you for a reason
And I can't believe that we're both alive at the same time

Is this Heaven now?
Am I dreamin' out?
Am I dreamin'?

You're my one one one in a million
And I can't believe that we're both alive at the same time

You got me speedin' through the red lights
Yeah I'm on my way
We do it cause it feels right
Yeah you got me so

High
I tripped and found paradise
No lie
I tripped and found paradise
In your eyes
In your eyes
In your eyes
In your eyes
In your eyes
In your eyes
In your eyes
In your eyes

You're my one one one in a million
It's like someone picked you outta the sky
Maybe I met you for a reason
And I can't believe that we're both alive at the same time

Is this Heaven now?
Am I dreamin' out?
Am I dreamin'?

You're my one one one in a million
And I can't believe that were both alive at the same time

Is this Heaven now?
Am I dreamin' out?
Is this Heaven now?
Am I dreamin'?

You're my one one one in a million
And I can't believe that we're both alive at the same time
You're my one one one in a million
And I can't believe that we're both alive at the same time
