

# Bebe Rexha, Self Control

[Chorus]

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you, I can't say no  
I don't want a taste, I want it all

[Verse 1]

When I get your call, I'm out the door, not a minute more  
Like an animal, I lose control, it's illogical  
Oh, oh

[Pre-Chorus]

One little kiss can turn into a thousand  
One little touch and I'm gone

[Chorus]

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you, I can't say no  
I don't want a taste, I want it all  
Got no self control  
And I don't mean cigarettes and alcohol  
When it comes to you, I can't say no  
I don't want a taste, I want it all

[Post-Chorus]

Na na na na na na  
Na na na na na na na  
Na na na na na na  
Na na na na na na na  
Na na na na na na  
Na na na na na na na  
Na na na na na na  
Na na na na na na na

[Verse 2]

I'm so predictable, fall every time, ain't it pitiful?  
And it's not enough, I try to quit, but I'm giving up  
Oh, oh

[Pre-Chorus]

One little kiss can turn into a thousand  
One little touch and I'm gone

[Chorus]

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you, I can't say no  
I don't want a taste, I want it all  
Got no self control  
And I don't mean cigarettes and alcohol  
When it comes to you, I can't say no  
I don't want a taste, I want it all

[Post-Chorus]

Na na na na na na  
Na na na na na na na  
Na na na na na na  
Na na na na na na na

[Bridge]

And the hunger grows  
I'm craving you and my body knows  
'Cause it wakes me up

Heart through my chest, this could be love (this could be love)

[Pre-Chorus]

One little kiss can turn into a thousand  
One little touch and I'm gone

[Chorus]

Got no self control  
And I don't mean cigarettes and alcohol  
'Cause when it comes to you, I can't say no  
I don't want a taste, I want it all  
Got no self control  
And I don't mean cigarettes and alcohol  
When it comes to you, I can't say no  
I don't want a taste, I want it all

[Post-Chorus]

Na na na na na na  
Na na na na na na na  
Na na na na na na  
Na na na na na na na
