

Bebe Winans, Close To You

[** feat. Cece Winans:]

I just want to be close to you.

Sunshine, moonlight, delight just a couple words describing who you are.

Lovely, so lovely - want everyone to know why I'm in love with you

Patient and strong, always, no matter what i face you've been there to bring me through.

Just right (right on) on time, it took a while to see that your love was true.

Now no one can (undo)

Cause I belong (to you)

Until the end (of time)

Good to know (good to know you're mine)

And all I want (to say)

Until my dying (dying day)

I just want to be close to you

Honest and sweet

Heaven Is where I want to be

Where I am when I'm with you

Perfect, yes perfect

It's what he gave for all the world to see

Now no one can (undo)

Cause I belong (to you)

Until the end (of time)

It's good to know (you're mine)

And all I want (all I want to do is say - 'til my dying day)

I just want to be close to you

Now following me sis...

Say dah dah, u say (dah dah)

Say dah dah

Dah dah dah dah dah dah dah dah dah dah dah dah

Dah dah (mmm,mmm) dah dah

It took a while to see, now we know the truth

Now -no one can (undo)

I belong (to you)

Until the end (of time)

Good to know (good to know you're mine)

And all I want (how long will you stay- till my dying day)

I just want to be close to you

Ya ya ya ya (how long will you stay)

I just wanna be close to you
