

# Bebe Winans, Stand

Tell me, what do you do  
When you've done all you can do  
And if seems like it's never enough  
Tell me what do you say  
When your friends turn away  
And you're all alone, so alone  
Tell me, what do you give  
When you've given your all and  
Seems like you can't make it through

[Chorus:]

Well, you just stand  
When there's nothing left to do  
You just stand  
Watch the Lord see you through  
Yes, after you've done all you can  
You just stand

Tell me, how do you handle  
The guilt of your past  
Tell me, how do you deal with the shame  
Tell me how can you smile  
When your heart has been broken and filled with pain  
Tell me, what do you give  
When you've given your all  
And if seems like you can't make it through

[Chorus]

You just stand and be sure  
Be not entangled in that bondage again  
You just stand and endure  
God has a purpose, God has a plan

Tell me, what do you do  
When you've done all you can  
And if seems like you can't make it through  
Well you just stand (stand) 3x  
And don't you dare give up  
You go through the storm, (stand)  
And through the rain, (stand)  
You stand through the hurt, (stand)  
And through the pain, (you just)

Hold on (stand)  
And don't give up  
Hold on (stand)  
And don't you dare give in (you just)  
Stand (stand) [x3]  
Said you just stand (you just)

After you've done all you can  
After you've prayed and cried, cried and prayed  
All through the night  
After you plant your feet  
Squared your shoulders  
Hold your head up, and wait on him  
He's gonna come through, yes he will

After you've done all you can  
You just stand
