

Bebo Norman, Beautiful You

I can't stand the sound
Of losing control
But whenever you're around
I can't find the breath to speak at all

I need you to be careful with me...

Please don't go away
Please don't leave me here
I know if you don't stay
My heart will disappear...I need beautiful you

Your love brings me in
And swallows me whole
But underneath your skin
Is the only peace I know

All that I need is you here with me...

Please don't go away
Please don't leave me here
I know if you don't stay
My heart will disappear
This world will disappear...I need beautiful you
