

# Bebo Norman, Everything

When day is over  
I'll be the color in the sky  
If darkness lingers  
I'll be the flame that gives you light

I just want you to notice  
I just want you to feel the same  
I just want you to notice  
That I just want to be your everything  
I just want to be your everything

On my shoulder  
There is a place for you to cry  
I'll be your shelter  
When there is nowhere left to hide

Sometimes I see you cry  
When you watch the sun go down  
You're magical, so beautiful, and I...

When day is over  
I'll be the color in the sky
