

Bebo Norman, I'm Not Living In The In Between

Can I come close to you?
Hold your heart and never move
I'll never move
Well, I can't be anything I'm not
You get what you see
But I'm gonna give you everything I got
I'm not living in the in-between
I'm not living in the in-between
Can I walk right next to you?
And never stop, I'll be the proof
I'll be the proof
Well, I can't be anything I'm not
You get what you see
But I'm gonna give you everything I got
I'm not living in the in-between
I'm not living in the in-between

Look up, look up, it's like
The sky is falling down on us, on us
Wake up, wake up, it's just
This dream I have, it's made for us, for us
Whoa oh yeah, whoa oh yeah, yeah
Well, I can't be anything I'm not
You get what you see
But I'm gonna give you everything I got
I'm not living in the in-between
No, I can't be anything I'm not
You get what you see
But I'm gonna give you everything I got
I'm not living in the in-between
I'm not living in the in-between
