

# Bebo Norman, In Your Hands

I didn't know  
How I'd love you  
When I walked into your life  
Now I have a heart I cannot keep

And the greatest of fear  
Is that you'll leave me here  
Stranded in this water  
So deep

So don't you turn away from me  
Because my heart and my hold  
Are in your hands

If I don't seem certain  
It's just a common fear  
From a common man  
But I'm in your hands

Just so you know  
I have never done this sort of thing before  
I've never given up my very soul  
But I have heard a voice  
Like none I've heard before  
And it's a voice that never grows old

So don't you turn from me  
Because my heart and my hopes  
Are in your hands

If I don't seem certain  
It's just a common fear  
From a common man  
But I'm in your hands

So don't you turn away from me  
Because my heart and my hopes  
Are in your hands

And If I don't seem certain  
It's just a common fear  
From a common man  
But I'm in your hands

I'm in your hands

I know  
I'm in your hands
