

# Bebo Norman, Never Saw You Coming

I am the lonely, the ones who slip away  
I am the secret, the words we dare not say  
I am the promise I'm about to break again  
I am the leader who cannot find the way  
I am the preacher who somehow lost the faith  
I am the beggar reaching out my hands again  
And I never saw you coming  
I could never dream of running  
I have never known such love before my God  
You come, come and breathe Your breath in me  
Steal away what's left of me  
'Til You are mine and I am Yours  
I am the lover with no one to hold  
I am the seeker with an empty soul  
I'm everyone who's ever lost hope  
And I never saw you coming  
I could never dream of running  
I have never known such love before my God  
You come, come and breathe Your breath in me  
Steal away what's left of me  
'Til You are mine and I am Yours  
Fall like stars  
On my shore  
Still you are  
So much more  
And I never saw you coming  
I could never dream of running  
I have never known such love before my God  
You come, come and breathe Your breath in me  
Steal away what's left of me  
'Til You are mine and I am Yours  
I am Yours
