## Bebo Norman, Nothing Without You (Alternate Ve

Take these hands and lift them up For I have not the strength To praise You near enough For I have nothing I have nothing without You Take my voice and pour it out And let it sing the songs of mercy I have found For I have nothing I have nothing without You And all my soul needs Is all Your love to cover me So all the world will see That I have nothing without You So take my body and build it up May it be broken As an offering of love For I have nothing I have nothing without You

And all my soul needs Is all Your love to cover me So all the world will see That I have nothing I love You With all my heart With all my soul With all my mind With all the strength that I can find And all my soul needs Is all Your love to cover me So all the world can see That I have nothing Take my time here on this earth And let it glorify all that You are worth For I am nothing I am nothing without You
