

Beck, Blue Cross

She's a blue cross (x4)
She's a burning lawn
She's dead and gone
She's here and now
She's hangin around
She's a blue cross (x4)
She's a liquor store
She's a apple core
She's a camel hair

She's a golden chair
She's a blue cross (x4)
She's a silver star
She's a stolen car
She's a milky way
She's an old ashtray
She's a blue cross (x4)
