

# Beck, Debra

(Oh yeah, come on)  
I met you at JC Penny  
I think your nametag said Jenny  
I could step to you  
With a fresh pack of gum  
If somehow I knew you were looking for some  
(oh no!)  
Like a fruit that's ripe for the picking'  
I wouldn't do you like that  
Sanka chicken  
'Cause only you got a thing  
That I just got to get with  
I just got to get  
Get with you  
And you know what we're gonna do  
I wanna get with you (Oh girl)  
And your sister  
I think her name is Debra  
I wanna get with you (Only you girl)  
And your sister

'Cause when our eyes did meet  
Girl, you know I was packing' heat  
Ain't no use in wasting no time?  
Getting to know each other  
You know the deal  
'Cause only you got a thing  
That I just got to get with  
Got to get with  
I just got to get with you girl
