

Beck, Deep Fried Love (Aka Grease)

talking

Dunk my heart in a vat of lard,
it's getting all crispy and it's gettin' all hard
Deep fried love, come on give me the grease
Shove that hamburger down your throat,
Pass the ketchup, I can, I won't, I don't.
Life is short, can I have it to go?
If it's not in the TV Guide then I don't know.
Buy buy buy a lot of junk to fill up the time.
Shove that chicken wing down your throat,
Pass the bucket, i can, I won't, I don't.
Shove that hamburger down your throat,
Pass the ketchup, I can, I won't, I don't
