

# Beck, Feelings

I have so many feelings  
And I know that I'm dealing  
I'm dealing with all these feelings  
Feelings  
Oh, feelings!  
Lord I have so many feelings  
And I know that I'm dealing  
I'm dealing with all these feelings  
I'm feeling all of these feelings  
Lord I know that I'm healing  
I'm trying to feel all of my feelings  
Feelings that make me feel  
That there's something more to be real  
Lord I'm dealing with these feelings  
Feelings  
Feelings  
Feelings  
Oh no no  
All of these feelings  
When everything is turning  
Turning into my feelings  
And I know that something is feeling  
All of my feelings
