Beck, Gettin' Home

Tell my baby, I'm gettin' home now
Tell my baby, I'm gettin' home
She don't need me, I don't need me
Who's gonna need me?
Someone's cryin', somone's changin'
Someone's stayin' just the same
She don't live here, I don't live here
Who's gonna live here?
Tell my baby, I'm gettin' home now
Tell my baby, I'm gettin' home
She don't need me, I don't need me
