

# Beck, Guess I'm Doin' Fine

There's a blue bird at my window  
I can't hear the songs he sings  
All the jewels in heaven  
They don't look the same to me

I just wade the tides that turned  
Till I learn to leave the past behind

It's only lies that I'm living  
It's only tears that I'm crying  
It's only you that I'm losing  
Guess I'm doing fine

All the battlements are empty  
And the moon is laying low  
Yellow roses in the graveyard  
Got no time to watch them grow

Now I bade a friend farewell  
I can do whatever pleases me

It's only lies that I'm living  
It's only tears that I'm crying  
It's only you that I'm losing  
Guess I'm doing fine

Press my face up to the window  
To see how warm it is inside  
See the things that I've been missing  
Missing all this time

It's only lies that I'm living  
It's only tears that I'm crying  
It's only you that I'm losing  
Guess I'm doing fine
