

# Beck, Guess I'm Doing Fine

Theres a blue bird at my window  
I cant hear the songs he sings  
All the jewels in heaven  
They dont look the same to me

I just wade the tides that turned  
Till I learn to leave the past behind

Its only lies that Im living  
Its only tears that Im crying  
Its only you that Im losing  
Guess Im doing fine

All the battlements are empty  
And the moon is laying low  
Yellow roses in the graveyard  
Got no time to watch them grow

Now I bade a friend farewell  
I can do whatever pleases me

Its only lies that Im living  
Its only tears that Im crying  
Its only you that Im losing  
Guess Im doing fine

Press my face up to the window  
To see how warm it is inside  
See the things that Ive been missing  
Missing all this time

Its only lies that Im living  
Its only tears that Im crying  
Its only you that Im losing  
Guess Im doing fine
