

Beck, Guess I'm Doing Fine

Theres a blue bird at my window
I cant hear the songs he sings
All the jewels in heaven
They dont look the same to me

I just wade the tides that turned
Till I learn to leave the past behind

Its only lies that Im living
Its only tears that Im crying
Its only you that Im losing
Guess Im doing fine

All the battlements are empty
And the moon is laying low
Yellow roses in the graveyard
Got no time to watch them grow

Now I bade a friend farewell
I can do whatever pleases me

Its only lies that Im living
Its only tears that Im crying
Its only you that Im losing
Guess Im doing fine

Press my face up to the window
To see how warm it is inside
See the things that Ive been missing
Missing all this time

Its only lies that Im living
Its only tears that Im crying
Its only you that Im losing
Guess Im doing fine
