

# Beck Jeff, Rock My Plimsoul

Beck Jeff

Truth

Rock My Plimsoul

You can rock me, rock me all night long.

Keep on rocking me baby, rock me all night long.

Cause you know when you rock me, my poor back ain't got a bone.

You can roll me, just like they roll a wagon wheel.

Keep on rolling me baby, roll me all night long.

You can shake, rattle and roll me, til my back ain't got a bone.
