

Beck, Piece Of Tears

I'm lost so, inside of me I say, "Don't trust anyone"
And after, inside of me I say "Don't forgive anyone"

I'm lost so, inside of me I say, "Don't trust anyone"
And after, inside of me I say "Don't forgive anyone"

I can't tell you my fear inside of me
But I'll show you what my horrible pain

I'm lost so, inside of me I say, "Don't trust anyone"
And after, inside of me I say "Don't forgive anyone"

I can't tell you my rage inside of me
But I'll show you what my horrible hate

How can I find?
I don't know where I have lost piece of my tears?
How can I find?
I don't know, I don't care where the piece of my tears

What's happened in my mind?

I'm lost so, inside of me I say, "Don't trust anyone"
And after, inside of me I say "Don't open my eyes"

How can I find?
I don't know where I have lost piece of my tears?
How can I find?
I don't know, I don't care where the piece of my tears
How can I find?

How can I find?
Where do I go? Where I am? I lose my piece of tears?
