

# Beck, Rollins Power Sauce

Ummm...

My throat muscles are completely shredded

You tell no one  
'Bout Barney  
Leaning on you  
Dirty pictures

False faces  
Bloody wallet  
Ripped out your heart  
Put on my clothes

No one will want you  
With a bloody bozo  
With a bloody bozo  
And I got no focus  
Got no focus...  
Oh...  
Ow...

Use the Taser
