

Beck, Today Has Been A Fucked Up Day

Today has been a fucked-up day
Today has been a fucked-up day
Today has been a fucked-up day
Looks like tomorrow'll be the same old day
Today has been a fucked-up day
Today has been a fucked-up day
Today has been a fucked-up day
Looks like tomorrow'll be the same old day
There's people runnin' up and down the line
With grocery bags on they heads
And dollar bills pasted onto their faces
Squeegee in their hand
Woo, woo, woo...
Woo!
Woohoo!
Woohoo!
