Yeah, she got's the soul
And she got's the soul
Now, she got some soul

She got a finger snap
With the lit cigarette
On my birthday cake
And she's the kicking' the s--t

Ah, yeah

She rock 'n' roll
She got the soul
She rock 'n' roll
She got the soul
She rock 'n' roll
She got some soul
She rocks and rolls
She got the soul

Oh yeah, bring it on down, [etc.]
