

# Becki Ryan, Alive

Stuck in a world,  
No longer turning.  
Always a girl,  
Waiting for something.  
Too many days,  
Walking around sleeping.  
Open my eyes,  
I'm tired of dreaming.  
I wanna run with reckless emotion,  
Find out if love is size of an ocean.  
And even if I crash down,  
Burn out,  
At least I'm gonna know what it's like,  
To feel alive.  
Sun of my face,  
Lots of a city.  
Maybe in love,  
Or just learning to be.  
On my two feet,  
I can only imagine.  
I'll say the words,  
And believe it will happen.  
I wanna run with reckless emotion,  
Find out if love is size of an ocean.  
And even if I crash down,  
Burn out,  
At least I'm gonna know what it's like,  
To feel alive.  
They think they know me,  
But how can they know me?  
I'm getting to know myself...  
I'm finally ready to be somebody,  
With a story to tell.  
I wanna run with reckless emotion,  
Find out if love is size of an ocean.  
And even if I crash down and burn out,  
At least I'm gonna know what it's like.  
I wanna feel till my heart breaks wide open,  
I wanna blaze like a fire that's growing.  
And even if I crash down,  
Burn out,  
At least I'm gonna know what it's like,  
To feel alive...  
Feel alive...
