

Becky Baeling, Heaven Is A Place On Earth

Oohh baby do you know what that's worth?
Oohh, heaven is a place on earth.
The say in heaven, love comes first.
We'll make heaven a place on earth.
Oohh, heaven is a place on earth...

When the night falls down,
I wait for you, and you come around.
And the world's alive,
With the sound of kids on the street outside.
When you walk into the room,
You pull me close and we start to move,
And we're spinning with the stars above,
And you lift me up in a wave of love.

CHORUS

When I feel alone,
I reach for you and you bring me home,
When I'm lost at sea,
I hear your voice, and it carries me.
In this world we're just beginning,
To understand the miracle of living,
Baby I was afraid before,
I'm not afraid, anymore...

CHORUS

Heaven...
Heaven...
Heaven...

In this world we're just beginning,
To understand the miracle of living,
Baby I was afraid before,
I'm not afraid , anymore...

CHORUS
