

Becky Sangolo, Stone Cold | Przesłuchania w cie

Stone cold, stone cold
You see me standing, but I'm dying on the floor
Stone cold, stone cold
Maybe if I don't cry, I don't feel anymore

Stone cold, baby
God knows I tried to feel
Happy for you
Know that I am redefined
And I understand, I'll take the pain
Give me the truth, me and my heart
We'll make it through
If happy is her, then I'm happy for you

Stone cold, stone cold
You're dancing with her, but I'm staring at my phone
Stone cold, stone cold
I was your amber, but now she's your shade of gold

Stone cold, baby
God knows I tried to feel
Happy for you
Know that I am redefined
And I understand, I'll take the pain
Give me the truth, me and my heart
We'll make it through
If happy is her, then I'm happy for you

Don't let me be stone cold, stone cold
I wish I could whisper but here's my pain
Know I'm happy for you
Know that I am redefined
And I understand
If happy is her, then I'm happy for you
