

# Becoming The Archetype, Elegy: Deception / Lament

[featuring Ryan Clark from Demon Hunter]

Death reigns over Earth

Opressing justice and truth

Nations plagued by despair

Collapsing hopelessly into themselves

We watch while sanity dies

Forever lost upon the Earth

Countless souls embracing condemnation

One by one marching to the grave

Into the Mouth of the ruin that feeds upon the Damned and the Deceived

And they will cry; there is no life here only death

Deceived

Wide is the path that leads to destruction

Wide is that pathway down into the pit of despair
