

# Bed and Breakfast, Falling In Love

There're a lot of girls  
To fall in love  
But there's just one girl  
That I'm thinking of  
Please believe me  
I'm falling in love  
You are the one I'm thinking of  
The only one  
I'm falling in love  
Girl, am I wasting my time  
Waiting 4 u  
Telling me that you're mine  
Words is what I'm looking for  
Telling my love love  
That it's she I adore  
It's crazy but I think that it's true  
I'm in love with someone  
I don't know  
If you were here  
I wouldn't know what to do  
There's so much love in me  
I wanna show  
There're a lot of girls  
To fall in love...  
Babe, I'm alone at my home  
Waiting for you  
Next to the telephone  
Then, once again I hear bells  
Thought it was you  
But it was somebody else  
There're a lot of girls  
To fall in love...
