

Bedingfield Daniel, Girlfriend

Bedingfield Daniel
Gotta Get Thru This
Girlfriend
Girlfriend

You make my head start spinning around
And all I can ever hear is the sound
Of your heart beating in my ears

Girlfriend
This boy has found another reason to sing
You're reminding me of everything
That I hold dear in my heart

And I'm feeling elevated
Lifted to my highest dream
My whole world's revolving in circles round your heart
You gotta be the one for me or else life makes no sense
So wrap your arms around me
Kiss me till I'm dead

Girlfriend
A girl like you would take an army to find
I glad I am that you said you would be mine
standing there in the cold, dark night
Girlfriend
Let me take you to the fields of the sun
How much it means to me that you are the one
That I hold here in my arms
