

# Bednarek, Leave this town

Oh Girl, I wanna leave this town today,  
no matter what dema do, no matter what dem say,  
now we haffi keep moving on.

Oh Girl, I wanna leave this town today,  
no matter what dema do, no matter what dem say,  
now we haffi keep moving on.

Everyday people see only money, money, money,  
to me their reality seems so fucking funny.  
From the begining till this day  
human has sold his soul for gold losing his righteous way.  
Inna di streets dem people have hearts so cold,  
lawd gave me a chance, the success is not my fault.

Oh Girl, I wanna leave this town today,  
no matter what dema do, no matter what dem say,  
now we haffi keep moving on.

Oh Girl, I wanna leave this town today,  
no matter what dema do, no matter what dem say,  
now we haffi keep moving on.

Everything inside of me feels so real, even thoug I know you wanna be free.  
Everything inside of me is like a harmony.  
Everything inside of me of me feels so real, even thoug i know you wanna be free.  
Everything inside of me is like a soulful melody.

Oh Girl, I wanna leave this town today,  
no matter what dema do, no matter what dem say,  
now we haffi keep moving on.

Oh Girl, I wanna leave this town today,  
no matter what dema do, no matter what dem say,  
now we haffi keep moving on.

Oh Girl, I wanna leave this town today,  
no matter what dema do, no matter what dem say,  
now we haffi keep moving on.
