

# Bedouin Soundclash, Higher Ground

Yes i am pressing the upward way  
New sings i see everyday  
Still hailing onward bound  
Father show i the way to Higher ground

Father lift i up and let I stand  
Show I righteousness in Zionland  
A higher sight that i have found  
Father show I the way to higher ground

I got no Desire to stay behind  
No thought some people they may try, to tell i so

But i won't be a fool and stay behind  
And now my aim is so reach Zionland

I want to leave and show the world  
that righteousness will carry you through  
a clean hand and a pure heart  
and you will reach zionloand

And yeah i'm pressing the upward way  
New signs i see everyday  
Still hailing onward bound  
And you will reach Zionland...
