

Bedouin Soundclash, Mandrake Root

Said you never want to hide it
but that wont stop the lion
so you gotta be iron
cause we want ..

giving life to someone who takes mine
no we wont we wont make no bread
no we wont we wont

cause we wont sit around and make no bread no more
i wanna be a lion
yeah and be lion cause we wont make no bread no more .
give us life to someone who takes mine
said you never want to hide it
so you gotta be
cause we wont sit around and break no bread no more.
no no
no we wont make no bread
no we wont we wont make no bread
no we wont we wont make no bread
no we wont we wont make your bread

standing higher and higher
