

Bedouin Soundclash, Money Worries

Ohh ya ya
Money money money worries

A money worries

Anywhere you go is the same price
A money worries
Anywhere you go is the same price
A money worries

You havent comfort any place of rest
Or a nice car, to drive
Anything you need, these days
Moneys the only answer

Anywhere you go is the same price
A money worries
Anywhere you go is the same price
A money worries

Everyone would like, to leave a ____?
Eating and wearing the best in life
But to really do so, my friends
Moneys the only answer

Anywhere you go is the same cry
A money worries
Anywhere you go is the same cry
A money worries
A money worries(x2)

Everyone would like, to leave a ____?
Eating and wearing the best in life
But to really do so, my friends
Moneys the only answer

Anywhere you go is the same cry
A money worries
Anywhere you go is the same cry
A money worries

Anywhere you go is the same cry
Anywhere you go is the same cry

You cant divide no more, no
You cant afford it no more, sing with me now
You cant divide no more, no
You cant afford it no more

Anywhere you go is the same cry
Money worries
