

Bedouin Soundclash, Shelter

Said it's wrong but you know that,
The look on his face means he'll be back again
See you later

Saturday on the night train,
With uptown boys who run cocaine downtown
People waiting

But it's along time
And you're not home
Don't you feel
Like you're alone?

And it's along time
And you're alone
Don't you know
You can come home?

You don't feel, but you look fine
No doubt's all on the mainline
Say

Laughing on to no one's joke
Looking around but it's remote
You won't see no one that you know

But it's along time
And you're not home
Don't you feel
Like you're alone?

And it's along time
And you're alone
Don't you know
You can come home?

Running where, don't you look round?
Running, running, running, on east bound
Downtown, There's nothing for you

Shelter's waiting for you
I'm still waiting for you
So come home

But it's along time
And you're not home
Don't you feel
Like you're alone?

And it's along time
And you're alone
Don't you know
You can come home?

Shelter!
