

# Bedouin Soundclash, When The Night Feels My Song

I'm on the rocky road  
Heading down off the mountain slope  
And as my steps echo echo,  
louder than before  
Another day is done,  
say goodbye to the setting sun  
See what i found,  
Turn back to the ground  
Just like before

And Hey hey hey hey hey hey  
Hey beautiful day, hey beautiful day  
Hey hey hey hey  
Hey beautiful day, hey beautiful day  
When the night feels my song  
I'll be home, I'll be home

Into the undergrowth,  
Twist and turn on a lonely road  
In the twilight  
the day turns to night  
And i'm alone

And when the light has let  
I'm not sure of my every step  
Follow the wind that pushes me west  
Back to my bed

And Hey hey hey hey hey hey  
Hey beautiful day, hey beautiful day  
Hey hey hey hey  
Hey beautiful day, hey beautiful day

When the night feels my song  
I'll be home, I'll be home  
When the night feels my song  
I'll be home, I'll be home  
When the night feels my song  
I'll be home, I'll be home
