

Bee Gees, Anything For You

Ooh ooh ooh
When you wait and you watch
And you're wishing for something wild
I figure I can please you someday someway
I figure I can put your love on trial
I'm taking you back to school
Talk about making it something real
Nobody could deny you anything

(CHORUS)

You know I'd do anything
Anything for you
You know I'd do anything
Anything for you
You know I'd do anything
Anything for you
You know I'd do anything
Anything for you

You you you
You can run with the fun
You can tickle my nerves inside
In the face of heartbreak, heartache
It's gonna be a magic carpet ride
Better we make it soon
Let it be the one that make you
Cry for more
Anyone else would buy you anything
I'd do anything

(CHORUS)

I'd do anything
I'd do anything
I'd do anything
I'd do anything

(CHORUS)

I'd do anything
I'd do anything
I'd do anything
I'd do anything
