

# Bee Gees, As Fast As I Can

Somewhere (somewhere) , it must be you (somewhere)  
I'll come running to you (somewhere)  
As fast as I can (as fast as I can )  
As fast as I can (as fast as I can )

Somewhere (somewhere) , somewhere in the night (somewhere)  
Be my guiding light (somewhere) and I'll come to you  
As fast as I can (as fast as I can )

I don't know just where you are  
You be my guiding light  
I know somewhere there must be you for me

Somewhere (somewhere) , somewhere in the night (somewhere)  
Be my guiding light ( somewhere) and I'll come to you  
As fast as I can (as fast as I can )  
As fast as I can (as fast as I can )  
As fast as I can (as fast as I can ) [fade out]
