

# Bee Gees, Be Who You Are

Be who you are  
Don't ever change  
The world was made to measure for your smile  
So smile.

Those crazy dreams  
we threw, we threw away  
I never been alone with you  
I never could  
They say

That love will find a way  
And love will never be set free  
I won't ever let you see  
You could not understand  
You never will

Be who you are  
I bless I bless your name  
And all that summer madness caused the rain  
And we.. we

The glory that we made  
My love will grace the halls of time  
A love that never can be mine  
You could not love me then  
I love you still

Be who you are  
Seize life and find a way  
And I will be that shadow loving who you are  
Be who you are  
We were
