Bee Gees, Elisa

All that I need is just a piece of paper Say a few lines, make up my mind so she can read it later, when I'm gone Elisa, goodbye, Elisa

All that I need is just a quiet corner Bring to the light, things I must write Got to get it over with, choose Elisa, goodbye, Elisa

The song that I sing
The times I've tried to hide it
I'm sorry to say, I'm going away
That's what I've decided on
I've tried
Elisa, goodbye, Elisa

Goodbye Elisa Elisa goodbye Elisa goodbye Elisa, Elisa
