Bee Gees, Grease Theme

I saw my problems and I'll see the light We got a lovin' thing, we gotta feed it right There ain't no danger, we can go too far We start believin' now that we can be who we are, grease is the word They think our love is just a growin' pain Why don't they understand, it's just a cryin' shame Their lips are lyin', only real is real We stop the fight right now, we got to be what we feel, grease is the word Grease is the word, is the word that you heard It's got a groove, it's got a meaning Grease is the time, is the place, is the motion Grease is the way we are feeling We take the pressure and we throw away conventionality Belongs to yesterday There is a chance that we can make it so far We start believin' now that we can be who we are, grease is the word Grease is the word, is the word that you heard It's got a groove, it's got a meaning Grease is the time, is the place, is the motion Grease is the way we are feeling This is a life of illusion, a life of control Mixed with confusion what're we doin' here? We take the pressure, and we throw away conventionality Belongs to vesterday There is a chance that we can make it so far We start believin' now that we can be who we are, grease is the word Grease is the word, is the word that you heard It's got a groove, it's got a meaning Grease is the time, is the place, is the motion Grease is the way we are feeling Grease is the word, is the word that you heard It's got a groove, it's got a meaning Grease is the time, is the place, is the motion Grease is the way we are feeling Grease is the word, is the word, is the word
