

Bee Gees, I Can't See Nobody

I walk the lonely streets; I watch the people passing by.
I used to smile and say hello. Guess I was just a happy guy.
Then you happened, girl, this feeling that possesses me.
I just can't move myself. I guess it all just had to be.

(Chorus)

I can't see nobody...no, I can't see nobody.
Mine eyes can only look at you...you.

I used to have a brain; I used to think of many things.
I watched the falling rain and listened to the sweet birds sing.
Don't ask me why, little girl. I love you and that's all I can say.
You're ev'ry ,ev'ry breath I take. You are my nights; my night and day.

(chorus...)

Every single word you hear...is coming from this heart of mine.
I never felt like this before...a love like yours so young and fine.
And now as I try to forget you...it doesn't work out any way.
I loved you such a long time ago...but in my eyes you'll always be.
Every single word you hear...is coming from this heart of mine.
I loved you such a long time ago...don't know why...
And I don't know why...baby...
