I Was A Lover , A Leader Of Man

Ah, ah, ah, ah ..

I was a lover , a leader of me

All of the women I knew were my friends

I was so happy ,my feet on the ground

I didn't know I was on the way down

'cause you don't feel the same

It's only a game , it's only a game , it's only a game

Ah, ah , ah , ah ..

I had a billion or two in the bank

I gave to charity , ain't got no thanks

You gave me all that a woman could give

Less you're affection , I don't want to live

'cause you don't feel the same

It's only a game , it's only a game , it's only a game

(break)

'cause you don't feel the same

I was a lover , a leader of me

All of the women I knew were my friends

I was so happy , my feet on the ground

I didn't know , I was on the way down

'cause you don't feel the same

It's only a game , it's only a game , it's only a game

Ah, ah, ah, ah, ah...
