

# Bee Gees, If Only I Had My Mind On Something Else

[verse 1]

I could be king of kings ; wear a crown and all the things  
I'd want I'd never need.  
I'd be an ace in an aeroplane and every year I'd fly to Spain.  
If I could get the nerve to plant the seed.

[chorus]

Oh, tell me how to say goodbye.  
I see her face in myself.  
Why, tell me why I made her cry  
If only had my mind on something else.

[verse 2]

Captain of the submarine beneath the icebergs never seen.  
A hero with a medal for ev'ryday.  
I find me fame, reach the top.  
I keep on pushing never stop.  
If I could just forget her name.

[chorus]

[end]

If only had my mind on something else.
