

Bee Gees, Juliet (Live in Melbourne)

I steal the night away, driving my life away, dancing
I was a romeo, I knew the art of romancing
I was an average guy in a world of empty dreams
I needed someone to show me how to love
J-J-Juliet, oh Juliet, this kind of loving you don't forget
Juliet, oh Juliet, you know you taught me to fly
You take me clear to the sky and all the people
Around the world can stand aside for me and my baby, J-J-Juliet
Fighting with destiny, fortune and fame but kept losing
Playing a joker's game, only myself I was fooling
I was an average guy in a world of empty dreams
You've broken down all the walls with your love
J-J-Juliet, oh Juliet, this kind of loving you don't forget
Juliet, oh Juliet, you know you taught me to fly
You take me clear to the sky
And all the people around the world can stand aside
Juliet, Juliet, you know you don't let go
Love is on and on, our love is like the sun
It keeps us going strong throughout eternity
I wanna love you in my life, sweet Juliet
Living without love in my life, my girl Juliet
J-J-Juliet, oh Juliet, this kind of loving you don't forget
Juliet, oh Juliet, oh, oh, oh, Juliet, oh Juliet
