

# Bee Gees, Live Or Die (Hold Me Like A Child)

Take one breath  
One fundamental sign of life  
Don't look back, don't analyze  
The tears that you cry  
Only the strong survive  
The silent sacrifice  
And I, I will be your heart of steel  
But power has a price

Ain't it time that you believe in someone  
Ain't it wrong to let the years go by  
Standing face to face forever  
Live or die

(CHORUS)

Hold me like a child  
I'm not alive until you do  
What you hold in your hand is a miracle  
And it's dead if I don't have you  
Hold me like a child  
Swear you never let go  
You're the eye of the storm  
The reason I laugh or cry  
Live or die  
I will stay with you

Take one breath  
One fundamental sign of life  
No bad blood  
No pain can make you draw the knife  
We got a world of trouble  
But I will never change  
And even if we fall tomorrow  
We will rise again

Now is the time we show each other  
These are the words I kept inside  
Standing face to face forever  
Live or die

(CHORUS)

Live or die  
I will stay, with you

Take one breath  
One fundamental sign of life  
Don't look back  
We love each other live or die  
Hold me like a child  
I'm not alive until you do  
Live or die  
I will stay with you  
Take one breath  
One fundamental sign of life  
Don't look back  
We love each other live or die  
Hold me like a child
